We present on this page the Golden Chain of the World's office force. All of the people appearing on this page are employed daily in our office, except Mrs. N. H. Tolan. The reason of her appearance is fully explained herein.

The Golden Chain of the World has a bevy of 10 lovely young ladies, working in its offices who are without contradiction the best paid young ladies in Texas. The most of them are school teachers. But owing to good treatment, and fair dealing as well as good salaries, they have cast their lot with the Chain.

The Golden Chain has the finest offices in Texas; worth \$5,000.00 and no incumbrances.

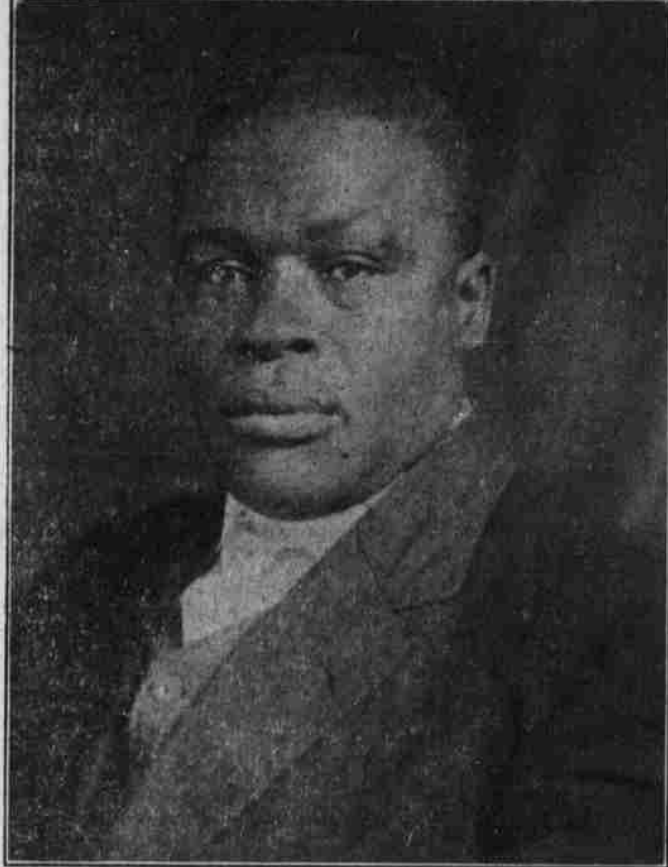

The Chain does not owe \$1.00 to any of its deceased members families, that is due.

After paying your joining fee you pay \$1.40 and become financial—Die in 10 minutes thereafter, your family will be due about \$432.00 to \$500.00—\$200.00 in your home by telegraph within 45 minutes after notice. That's us—Nobody Else.

We Have Three Classes:

T. E. TOLAN,

Mrs. N. H. TOLAN,

Mrs. Tolan is the wife of our Supreme Knight, T. E. Tolan. She does not work in the Golden Chain office, although efficient to do so; but Mr. Tolan's motto is only one out of any family may work in the Chain's office, because there are many members of families belonging to the Chain and they must be considered when more help is needed in the Chain's office. But to Mrs. Tolan some honors are due, because, during the two years that Mr. Tolan was figuring the plans of the Golden Chain, and writing its works, Mrs. Tolan sat at her sewing machine a many night until one and two o'clock in the morning keeping Mr. Tolan's company while he wrote.

At the end of two years, Mr. Tolan applied to the State of Texas for a charter, upon receiving, he alone began to hustle membership for a lodge that was to be made—that the way was dark and the road hard nobody doubts. Mr. Tolan had many bumps and hardships; yet Mrs. Tolan shared these bumps and hardships without a murmur. That the Golden Chain is now on top, whose growth is phenomenal, in fact it is growing so fast its officers are put to their "trumps" to keep abreast of its speed. For these reasons Mrs. Tolan appears here. It would be an injustice to her to not at this time pay to her the honors due her for the silent part she played in the success of this growing Order.
